Sir,

I have the honor to state that it has become hard in recent years to maintain District Fund roads in the District in a satisfactory condition on account of heavy traffic on these roads and the increased allotment necessary to keep them in a state of efficiency is always found to be a strain on the resources of the Board. The question of establishing additional toll-gates at convenient centres on District Fund roads with a view to improve the resources of the Board for the up-keep of their roads having therefore been pressed upon their attention the Board have resolved that a District Fund toll-gate may be established at ~~near~~ Bharamgiri junction on Bharamgiri-Hosadurga road and toll may be levied thereat on the marginally noted items at the rates noted against each. A copy of the resolution is enclosed. I request that the sanction of Government to the proposals of the Board may kindly be obtained and communicated early so that I may adopt necessary measures for the introduction of the toll-bar with effect from 1st July 1926.
